BREATHWORK WORKSHOPS · AT A SHARED SPACE OR MINE

This is the part I do in person.

All three run at a shared space. The Kiln also runs at my place in Grayson, east of Atlanta.

FOUNDATIONAL BREATHWORK

SHARED SPACE

Nothing to believe in. It still works at 3am.

1 HOUR · 4 TO 15 PEOPLE · ANY TIME OF DAY

Foundational breath, then box breathing, then cleansing breath lying down with tuning forks. For anyone. No experience or flexibility needed.

You provide a quiet room, floor space, low light if you have it.
I bring speaker, tuning forks, spare mats.

DYNAMIC BREATHWORK

First Fire

$48

PER PERSON
SHARED SPACE

Yes, it is breathwork. No, nobody hugs you.

1.5 HOURS · 4 TO 10 PEOPLE · MORNING OR AFTERNOON

Resin while people settle. Foundational breath, then Dynamic breathwork, forty hard breaths and two holds, then cleansing breath flat on the floor. For anyone cleared to hold their breath.

You provide floor space and room for everyone to lie flat.
I bring speaker, tuning forks, resin, spare mats.

SONIC NEURAL BREATHWORK

The Kiln

$144

PER PERSON
SHARED SPACE

$111

PER PERSON
MY PLACE

Fifty five minutes with your eyes covered.

2.5 HOURS · 3 TO 5 PEOPLE · AFTERNOON OR EVENING

A holotropic style of breathwork. Arrive to handpan and set intentions, then fifty five minutes of connected breathing to loud music, and a share circle nobody has to speak in. At my place it includes an ice plunge, food and a fire. Intake form and waiver required.

You provide a private room, low light, restrooms and floor space.
I bring sound system, tuning forks, handpan, resin, and a second space holder for groups of 6 to 10.
